Once Logged in, you can view all the Internal League fixtures, results and tables. Also view Competition draws and results.

You can also make a Rink booking for a Roll Up or competition using the 'BOOK A MATCH' button.

You can also cancel a rink booking that you have made.

Please if using the available screen in the club lounge, remember to 'LOG OUT' after use.

However, you cannot move or cancel an Internal League booking. If you wish to do so, agree a new date, time and rink with your opponent and pass that information to a Steward or member of Management and they will be able to move the match on the system for you.

## This new system, may feel strange at first but after a few uses it will become the norm and we are sure you'll find it extremely convenient to use.
